

The Singing Donkey

From that day, both of them were very good friends. One evening, they were together, and suddenly they saw a big fruit garden. The donkey said, 'The fruits on the trees look delicious. Let's eat them.' The jackal said, 'OK, but let's eat them quietly. I'm afraid of farmers.' Then they started eating the fruits.

The farmers heard the donkey and came out of their houses. They beat the donkey and went back. The jackal came out from behind the tree and said, 'You don't listen to a good friend's advice, and this happens to you.'

After they ate the fruits, the donkey said, 'We're having a good time. We need some music. Do you want me to sing?' The jackal said, 'No. We need to be quiet.' The donkey said angrily, 'Are you saying that I can't sing? I will show you.' He started singing, but the jackal ran behind a tree.

Once upon a time, there was a donkey. He lived alone and was very sad. One day, a jackal saw him and asked, 'What's the problem? Why do you look so sad?' The donkey said, 'I feel very lonely because I don't have any friends.'

The jackal said kindly, 'No problem. We can be good friends.'
