2. Complete this summary in your own words using the information from the article.

Coca Cola was a).....invented..... by John Pemberton, a b)..... living in Atlanta. The original drink was a syrup, and Pemberton sold it as a medicine. Pemberton c)..... his formula to Asa Candler, who decided to sell it as a d)..... drink, mixed with soda. At first, he sold it in his drugstores, then he sold the syrup to other drugstores. After that, he sold its licence to some businessmen, and they began to sell the drink. That was the story of the e)..... of Coca Cola.
