

1. Read the text and put the questions (a–f) in the correct space (1–6).

- | | |
|---------------------------------------|---------------------------------------|
| a) Is more infrastructure always bad? | d) How popular is ecotourism? |
| b) What is ecotourism? | e) What exactly does ecotourism mean? |
| c) Is tourism always good? | f) Is ecotourism really possible? |

2. Read the text again and write T (True) or F (False).

- a) The writer thinks that tourism should be stopped.
- b) Ecotourism is about making more money from tourists.
- c) Tourists should watch their behaviour.
- d) It doesn't matter where people walk.
- e) More roads and buildings are built because of tourism.
- f) It's good when tourists don't accept the local people's customs.
- g) Ecotourism is becoming less popular.
- h) For some countries ecotourism is very important
