

1. Read the text and answer the questions.

- a. Why are laboratories taking stray dogs from shelters?
-
- b. What kind of tests are they performing on them?
-
- c. Where is this happening?
-
- d. Is this the only way to teach surgery skills to veterinary students?
-

2. Do you think testing on animals is a “necessary evil”? Why / why not?

.....

.....

3. The Body Shop was the first large chain shop to sell products that aren’t tested on animals. If they can be such a success and sell a wide variety of products that are cruelty-free, why aren’t there more companies like it?

.....
