

1. Read the text and say True(T) or False (F). Correct the False ones.

- a) ☐ It is impossible to tell if someone is telling the truth or not. ....
- b) ☐ Liars usually have shorter stories with fewer details. ....
- c) ☐ If someone holds steady eye contact for a long time, it is likely that he or she is lying. ....
- d) ☐ A steady voice and breathing means that we are hearing the truth. ....
- e) ☐ Liars like to blame outside forces for their failures. ....
- f) ☐ If someone is telling the truth, they do not reach up to their nose or throat. ....
- g) ☐ A faster rate of blinking may be the sign of a lie. ....

2. Read the text again and match the definitions with the correct words from the text.

- a) ..... happening at a gradual, regular rate, not changing
- b) ..... to say something that is not true
- c) ..... to open and close both of your eyes quickly
