

1. Write true (T) or false (F) next to each statement.

a) Bol made the first box in 2009. ☐

b) His neighbours weren't interested in the books he put in the box. ☐

c) He started the organization to earn money for himself. ☐

d) Some other organizations liked the idea and started working with him too. ☐

2. Answer the questions. Give short answers.

a) How did Bol's idea spread to other places?

b) Where can people buy these boxes from?

c) In what kind of places do people who work for the organization prefer to put more libraries?
