

2. Read the text again. Put a tick or cross for the following situations.

	Situation	Is it right to do so?
1	Forests are nice places however you should be careful about the wild animals.	
2	When you see a snake, you can try to catch the snake to identify it afterwards.	
3	Sucking out the snake poison helps you recover.	
4	Ostriches are not fast enough to catch you so run as much as you can.	
5	If there are no options, lie down and don't move when you see an ostrich.	

3. Answer the following question.

What are some dangerous animals in your country? Do you know how to react when you encounter them?
