

1. Match each statement below to a suggestion in the text. Write the correct letter (A-E) on the line.

- a) If you don't drive and take the metro or the bus instead, you will save money.
- b) If you feel like eating something, don't go to the supermarket.
- c) Don't live alone. Find someone to live with you and share the expenses.
- d) If you want to call someone on the phone, use your Internet connection.
- e) Fill in your bottle before you leave home so that you don't spend money on water.
- f) Live with your family or a relative so that you don't pay the rent.
- g) Riding a bike to work or school is a cheap and fast alternative.
- h) If you share your home, then you can share the housework, too.

2. Answer the following questions.

- a) Do you find the suggestions in the passage useful? Which idea do you think is the most useful?

.....
.....

- b) Can you save money? What do you usually save it for?
