

1. Read the dialogue again and circle the action that was in progress when another action interrupted.

Example: He broke his leg while he was painting the walls.

- a) Mrs. Perry sprained her ankle while she was crossing the street.
- b) Jimmy was playing games at school when he sprayed himself in the face with paint.
- c) Mr. Frost pulled a muscle while he was riding a bike.
- d) Judy scalded her arm while she was drinking coffee.
- e) When he got sunburned, George was sleeping on the beach.

2. Write short answers for the questions.

- a) Which patient are they going to take first?
- b) Which injury do they use a cream for?
- c) Who is Dr. Rose not so worried about?
- d) Write one more injury that isn't at the emergency room today.
